Ordered food to be picked up. It was moderately priced but you got a lot for what you paid for it. It was absolutely delicious. Only thing I didn't rate 5 was because it was supposed to text me the status of my order as it went but idk if that was the place itself or a third party app. Would so recommend this place to anyone. The extensive selection of *coffee and tea specialties* makes a visit to Sakura Hibachi Express even more worthwhile.
