Decent food, especially for drive thru, but when I paid for pepperoni to be added they only added like 4 slices, and I paid for extra mozzarella and didn't notice any extra. In this gastropub, you will find not only exquisite dishes, but also a large and comprehensive selection of good beers and other alcoholic drinks that compliment the food, Also, you shouldn't miss out on the tasty [pizza](#), original freshly baked in a wood oven. In addition, you can expect original *Italian cuisine* with tasty classics like [pizza](#) and pasta, There are also tasty [South American](#) cuisine in the menu.
