The restaurant is accessible and can therefore also be used with a wheelchair or physiological disabilities, Depending on the weather conditions, you can also sit outside and have something. During meals, a refreshing drink is essential. In this **gastropub**, you will find not only flavorful cuisine, but also a large and comprehensive variety of good beers and other alcoholic drinks that compliment the food, and you can look forward to the fine classic seafood cuisine. You can still relax at the bar after the meal (or during it) and enjoy a alcoholic or non-alcoholic drink, Besides the fine **sandwiches**, small salads and other snacks also make a good snack.
