Recently moved into the area and searching around for a nice, local coffee shop. The only downside is the mocha I ordered was luke-warm and not hot; gotten ice cold after ten minutes. More than happy though to give it another shot based on the atmosphere and the staff. [read more](#). The restaurant offers complimentary WiFi for its guests. What [mathilde turkson hinton](#) doesn't like about Lighthouse Cafe:

The Lighthouse coffee shop used to be a special place until now. There is a new owner now and the 3 times I went to get my usual latte Macchiato, it was terrible. I went there today again just to give them another chance and it tasted the worst as if chemicals were added, it was luke warm and weak. A friend who was with me had ordered a cappuccino and she left it after taking one sip. Will not be going back. [read more](#). The large diversity of **coffee and tea specialties** makes a visit to Lighthouse Cafe even more worthwhile. Here you'll find sweet pastries and cake, simple snacks and chilled refreshments and hot beverages.
