Most of the food was great. Prices were reasonable as well. Street tacos are simple but affordable. Taco plate was even better. And the quesabarilla or whatever was top notch artery clogging goodness. [read more](#). In pleasant weather you can even eat and drink in the outdoor area. What [Eduardo Jocelyn](#) doesn't like about Mbosq:

Would rate 2.5 stars if we could. We came to see what the quesabirria hype was all about. The price was reasonable but we were expecting more consome (broth) with more flavor too! Friendly staff but we did not enjoy the quesabirria, I would recommend a more authentic place that sells birria too like The Quack Taco! [read more](#).

Look forward to the **diverse, tasty Mexican cuisine**, traditionally prepared with corn, beans and chilies (hot peppers).
