[The Card](#) of Goku Hibachi Express from Aurora includes about **17** different dishes and drinks. On average, you pay for a dish / drink about \$7.8. What [Andre B](#) likes about Goku Hibachi Express:

I can't say enough about the way this masterful teppanyaki chef prepares the food. I've been coming here for years, and I've never had a meal that didn't satisfy all of my senses. Everything, from the meat to the rice and vegetables, has been cooked perfectly. If you're looking for the most delectable hibachi I've ever had, this is the place to go. [read more](#). As a customer, you can use the WiFi of the restaurant at no extra cost, And into the accessible rooms also come visitors with wheelchairs or physical limitations. If you want to spoil your palate with a bit of culinary flair, this is the place to be: The original Asian fusion cuisine of the Goku Hibachi Express from [Aurora](#) - a delicious combination of the familiar and the unexpected, and easily digestible Japanese menus are being made with lots of fresh vegetables, fish and meat. **The preparation of the menus is done authentically Asian**, The dishes of this establishment can also be enjoyed at home or at the event thanks to a *catering service*.
