My favorite [sushi](#) restaurant for the value. Staff seats you quickly, if not, they take reservations unlike some business's in Hood River, and the food comes out in a very reasonable amount of time for the quality. Consistent flavor and lots of opportunities on their menu. [read more](#). In pleasant weather you can even eat and drink in the outdoor area, and there is no-charge WLAN. The premises on site are accessible, and therefore no problem for customers with wheelchairs or physical disabilities. What [Aujalee Moore](#) doesn't like about Kobe Sushi:

They stop seating at 8:30, but if you walk in at 8:25, they will also refuse to seat you. They don't even have bar seating from 8:25 until 9. I came in earlier for lunch and the food was mediocre Especially for being right near the water. The customer service was also subpar. [read more](#). An additional service offered by the establishment is the catering service for customers, Moreover, the **sweet desserts** of the house shine not only in the eyes of our little guests. Without doubt, the right drink enhances every meal; with this thought in mind, this **gastropub** offers a large diversity of tasty and local alcoholic beverages like beer or wine, tasty particularly are the Maki and delicacies like Te-Maki that this restaurant is known for.
