The place also offers the possibility to sit outside and eat and drink in pleasant weather, And into the accessible spaces also come customers with wheelchairs or physical limitations. For you, Heemo [Sushi](#) from Orange prepares scrumptious sushi (e.g., Maki and Sashimi), in numerous other versions, with fresh ingredients like fish, vegetables and meat, and you may look forward to the scrumptious traditional [seafood](#) cuisine. You can also look forward to fine [vegetarian](#) cuisine, and a lot of freshly harvested vegetables, fish and meat are used to cook **healthy Japanese dishes**.
