The place was confusing when you walk in. I only give it 4 star for service because when you walk in there you just see a dining area and there is no one to speak too. You just sit and they find and help you. However once they get to you it is very good service. The portions are good and it taste pretty damn good to me. I got the stewed chicken and rice with beans. Very large portion but extremely delicious. Worth it.... [read more](#). What [Yinzú Nairouz](#) doesn't like about Carbon Y Leña:

Their food is ok and the service is veryyy slow. The pastelitos (empanadas) were clearly reheated. The portions were small for the prices. We were two and paid more than 60\$ [read more](#).
