1st time trying this place out. I got the steak nachos and they were delicious. Also ordered the steak burrito and it was mostly all lettuce, so won't be ordering another burrito from this location again, but willing to try other items from their menu. Make sure you have cash because when I went it said only accepting cash. When the weather is pleasant you can also be served outside, And into the accessible spaces also come visitors with wheelchairs or physical disabilities. What [Chris Veldhuizen](#) doesn't like about Taquería Los Rosales: Got a soft corn 3 beef taco plate to go. The portions were decent, and the price was nice (cash only/ no plastic) . The only dislike was the meal was very bland. [read more](#). Get excited about the **diverse, scrumptious Mexican cuisine**, which is traditionally cooked with corn, beans and chilies (hot peppers).
