I'm a fan of this coffee shop. I don't go regularly but their quality control seems to be good no matter who is working. I don't think I have ever tried any food so no comment but their hot and iced mocha is pretty good. They have a decent ArnoldPalmer too. When I ask for black tea that's what I get! I hate those shops that take it upon themselves to add something else without informing me, this place doesn't do that. [read more](#). When the weather is pleasant you can also eat and drink outside, and there is no-charge WLAN. The premises on site are accessible, and therefore no problem for guests with wheelchairs or physical disabilities.
