What [Loralynn LeBaron](#) likes about Jamison's Irish Pub: 3 cheers for our Beertender Megan! She was running her behind off on a Friday evening and STILL managed to be friendly, fun and efficient! She's a KEEPER! Good food and decent beer were a plus. The restaurant offers free WLAN for its customers, And into the accessible spaces also come clientele with wheelchairs or physiological disabilities. If the weather are right, you can also eat outside. If you're craving for some tasty South American culinary arts, this is the place to be: tasty dishes, roasted with fish, seafood delicacies, and meat, but also **corn, beans, and potatoes** are on the menu, and you can indulge in scrumptious American menus like Burger or Barbecue. Even if you're only a bit hungry, you can still treat yourself to one of the scrumptious **sandwiches**, a healthy salad or another snack.
