The restaurant also offers the possibility to sit outside and have something in pleasant weather, And into the accessible rooms also come guests with wheelchairs or physiological limitations. If you're desiring some *spicy South American cuisine*, you've come to the right place: delightful menus, cooked with fish, seafood, and meat, though corn, beans, and potatoes are also in the menu, The menus are usually prepared for you in a short time and fresh. Even if you're not so hungry, you can treat yourself to one of the fine sandwiches, a small salad or another snack, and you have the opportunity to try scrumptious American dishes like **Burger or Barbecue**.
