What [Cynthia G](#) doesn't like about Casa Jacaranda Cocina Mexicana:

Umm, this place was one of my fav because of its authentic Mexican food BUT, service and food lately hasn't been good. ldk if they don't have the same cooking people or maybe the management is not the same one. Too bad bc there's a few of us that would love to continue to be customers but I've heard people say the same thing about it too. [read more](#). Look forward to the diverse, tasty Mexican cuisine, traditionally prepared with corn, beans and chilies (hot peppers), here they serve a **diverse brunch** for breakfast. In addition, you can order fresh prepared meat, there are also **tasty vegetarian recipes** in the menu.
