Get excited about the diverse, delicious Mexican cuisine, which is traditionally cooked with corn, beans and chilies (hot peppers), In addition, the drinks menu that is offered in this established eatery is impressive. It offers a wide selection of beers from the region and the whole world. Even if you're only a bit hungry, you can still treat yourself to one of the fine *sandwiches*, a small salad or another snack, You can also unwind at the bar with a **cool beer** or other alcoholic and non-alcoholic drinks.
