What a fabulous experience. Interesting and absolutely delicious presentations in warm, comfortable environment. And the service was impeccable. Incredible experience from start to finish. [read more](#). As a visitor, you can use the WiFi of the restaurant at no extra cost. What [Vicky Darveau](#) doesn't like about Apex:

Not worth the . We went to diner my husband and I and both felt like we had rocks in our stomach after the meal. The service was impeccable and the ambiance was great but this food felt toxic to us. Either they use bad oils, or they smother everything with oil and butter?? or they put ton of salt and artificial ingredients in there sauce so it taste better but we had to take digestive herbs once we got home to help pro... [read more](#). If you're desiring some spicy South American gastronomy, you're in the right place: exquisite menus, made with **fish, sea creatures, and meat**, but also corn, beans, and potatoes are on the menu, The guests of the establishment also consider the comprehensive selection of various *coffee and tea specialities* that the restaurant offers. Also, they provide you tasty seafood dishes, for breakfast they serve a **tasty breakfast** here.
