Very lovely place, the atmosphere is so nice with the music that isn't too loud and it's always so nicely decorated. I got the matcha ube, really yummy. Definitely need to remember to come again! [read more](#). You can use the WLAN of the place free of charge. What [Linda Hardial](#) doesn't like about Ulike Tea:
\$4.75 for this amount of milk tea (even if you ask for less or no ice, she said they wont fill it more than this... and I had to sit there and stare at it for 15 minutes (when they only needed to...add ice to it... while they did other things. The stinginess and slowness is kind of crazy to me. If you're hungry some hot South American gastronomy, you're in the right place: exquisite menus, prepared with fish, sea creatures, and meat, but also corn, beans, and potatoes are on the menu, on the menu there are also a lot of Asian meals. Of course, we must not forget the comprehensive diversity of *coffee and tea specialties* in this restaurant, Furthermore, the customers love the inventive combination of different dishes with new and partially experimental products - a nice example of successful Asian Fusion.
