The restaurant is accessible and can therefore also be used with a wheelchair or physical disabilities, and there is free WLAN. If the weather conditions are right, you can also be served outside. Also, the drinks menu at this place is exceptional and offers a significant and varied diversity of both local and international beers, which are definitely worth a try. After the meal (or during it), you have the opportunity to still relax at the bar with a **alcoholic or non-alcoholic drink**, guests often choose the tasty, fluffy flatbread, which is perfect for dipping into the own hummus or a creamy yogurt dip; the strong connection of figs and goat cheese undeniably also belongs to the delicious bits of the multifaceted Middle Eastern cuisine.
