Please support this business! They have lovely staff and they've never messed up my order and it's tasty too. The interior isn't great(it's just where it's located and how the building is set up. They really try to make it look as nice as possible), but it's not terrible. Very clean, and lots of options. Probably one of the better places to get pho in Downriver. [read more](#). The diner and its premises are wheelchair accessible and thus usable with a wheelchair or physical limitations. What [User](#) doesn't like about Spicy Bangkok Cafe:

We have ordered takeout multiple times but unfortunately this last time was disappointing. Ordered veggie pad Thai and massaman curry. There were three pieces of broccoli, a little tofu and the rest was potatoes. And the curry was half the usual amount. Taste is still good but I hope this was a one-off miss. It doesn't make me want to go back again. [read more](#). The customers love it when Asian cuisine meets a bit of creativity.
