Ufff!!! Dada udham ho gya aaj tu ... my goodness best chapli kabab place in Chicago area, never have this kind phenomenal food . Thanks alot for your recommendation BASIT BHAI [read more](#). You can use the WLAN of the restaurant at no extra cost. What [User](#) doesn't like about Kababish Bbq Grill:

The place would benefit tremendously from some quality control. I had some incredible goat biryani but there were bones with the meat and I kept biting into what I'd think was meat but was actually bone. My girlfriend got the butter chicken and she said that the chicken tasted weird so I tried some of it and it was 100% expired. [read more](#). With original *Indian spices delicious meals* and sides like rice or naan, they cook fresh at Kababish Bbq Grill in Chicago, Here, the **barbecued food** is freshly cooked on an open flame.
