What [User](#) likes about The Salty Shack:

We sat inside octopus bar and ordered from the salty shack and the food was great for a bar! For the ceasar salad wrap and there was so much flavor in the sauce and crunch from the goldfish! Get their tater tots with veggie chilli and the taste is amazing!! [read more](#). The restaurant is accessible and can therefore also be used with a wheelchair or physiological disabilities, and there is free WiFi. If the weather conditions are right, you can also eat outside. What [User](#) doesn't like about The Salty Shack:

Terrible hours with 2p opening for a sandwich shop. \$15 sandwich, it wasn't terrible. About on par with subway for quality. I dislike the goldfish crackers, as someone with a kid, is just cheap and kitschy. [read more](#). If you're desiring some **spicy South American gastronomy**, you're in the right place: delightful meals, prepared with fish, sea creatures, and meat, but also corn, beans, and potatoes are in the menu, and you can indulge in tasty American meals like Burger or Barbecue. You can also relax at the bar after the meal (or during it) and enjoy a **alcoholic or non-alcoholic drink**, For a snack, the delicious sandwiches, healthy salads and other snacks are suitable.
