What [User](#) likes about Amfora Mediterranean European: When eating on the patio the general public walks through the tables with their dogs, kids maybe positioning them differently would help with that kind of traffic. [read more](#). In pleasant weather you can even eat and drink in the outdoor area, And into the accessible spaces also come clientele with wheelchairs or physiological limitations. WLAN is available without additional charges. What [AnthonyC](#) doesn't like about Amfora Mediterranean European: Food that should be rich and delicious was bland and overpriced. Service was not great at all. Not friendly, it felt like we were bothering them that we were eating there although the restaurant was near empty. Would not go back [read more](#). The restaurant also offers its visitors a catering service, the restaurant provides but also **menus from the European context**. They also offer light Mediterranean meals available.
