2 Chicken Tenders, a bacon egg cheese biscuit, Lg. Potato Wedge w/ a drink cost us \$16.25 when I got to the car I realized how much we were charged so as my husband pumped gas I took the food back in and asked for a refund. I was refused a refund and was told to call back at 8am to talk to the manager. There were 3 other customers in the store who also agreed that it was way over priced, and so did an older lady who was also an employee. Calling to speak with a manager has been a joke. What [User](#) doesn't like about Champs Chicken: 2 pieces of chicken, mashed potatoes and corn \$10.59 thats without a biscuit or drink. Too expensive for take out gas station chicken but I gave it 3 stars because the food was very good.
