This place is a bit above average. The drinks are great. No happy hours. The only reason I gave it a 5 star on food are the chicharrones, they are amazing. Didn't try the mix drinks when beer is worth a 3pk tall can. ? the atmosphere is amazing chill drink food music. Not bad. May be top 10 in Boyle Heights community. [read more](#). The premises on site are wheelchair accessible and can also be used with a wheelchair or physical disabilities.

What [User](#) doesn't like about Boyle Heights Llc:

This bar is trash. I am a veteran of 24 years and I have a disability that I have to take my service dog with me everywhere. This restaurant bar denied me service because of my dog. The bad thing about it they even had a sign posted. Service dogs are welcome BS. Also manager/owner is trash. They don't even deserve the one star!! [read more](#). An additional service offered by the establishment is the *catering service* for customers, Especially, many guests are looking forward to the diverse, delectable Mexican cuisine. The restaurant also offers a balanced diversity of **delicious tapas**, which are certainly worth a try.
