Love this place. Total hole in the wall but so good. Their tomato soup is amazing, Mac cheese delicious. The pies are bangin! We live close by and it's definitely a staple. [read more](#). What [User](#) doesn't like about Barangaroos Aussie Pies:

Stopped by here while exploring the French market with some friends. I was feeling impulsive so I bought a couple of pies from here so we could all share with some drinks. What we tried:Peppered steak and mushroom (3/5) extremely peppery sauce with hefty chunks of steak, didn't get much mushroom or maybe I didn't notice it because I was focusing so much on the pepperPulled pork mango (4/5) sweet, savory, tangy, sligh...
