Great food. Great music. Great vibes. Staff here is super chill. Food is reasonably priced. Great selection of drinks including local brews. New preowned records are available for sale with a diverse selection. Awesome metal punk nights. [read more](#). The restaurant is accessible and can therefore also be used with a wheelchair or physical limitations, and there is no-charge WLAN. What [User](#) doesn't like about Deep Cuts:

Brewed-in-house beer was mid (I got their NEIPA). Ate a roast beef sandwich and potato salad. Potato salad was really solid. Roast beef sandwich was ok. Too much horseradish mayo sauce while at the same time not being strong enough. Onion bun tasted prepackaged and beef was just ok. Caramelized onions were a nice touch tho. [read more](#). An additional service offered by the restaurant is the **catering service** for customers.
