Its been awhile since i ate here but the food is fantastic!!! when im in the area its the only place i go to for authentic Ethiopian food. the beef tibs are my favorite to order, the meat is so tender and full of flavor. The service is kind and quick. Parking is short spaces, but its worth the trouble. [read more](#). In beautiful weather you can even eat in the outdoor area, And into the accessible rooms also come customers with wheelchairs or physical limitations. What [User](#) doesn't like about Dama Mart Carry-out:

If you are craving for a good quality of food you should not consider this place! We stopped by to try the pastry and the cake tastes awful, it tastes terrible and old! When we talked to the owner or whoever manages this place was very rude and he doesn't have any curtsy to apologize or offer anything else! One of our worst experiences and will never come back again. [read more](#). For customers of the establishment, the **catering service** is also available.
