Chef Jaime was fantastic. She worked so hard and made the process really fun. Her menu had incredible choices and she personalized a printed menu for a 75th birthday we hosted. Everything was delicious better than restaurant quality and she was very fun to chat with while cooking. We will definitely be using her again. Thank you for a memorable evening!! [read more](#). An additional service offered by the restaurant is the [catering service](#) for visitors, fine particularly are the Maki and specialties like **Sashimi** that this restaurant is known for.
