TurtleTown is a charming and sweet shop that offers a variety of treats, from homemade fudge to an array of chocolates. Visitors from Illinois praised the freshness of the chocolate and the outstanding service. The shop also offers unique experiences like gingerbread house decorating classes. The friendly staff serves up delicious drinks, including lattes and black tea, as well as mouth-watering desserts like lemon truffles and bourbon cheesecake. The shop has a nostalgic candy store vibe and also offers a selection of salt water taffy and chocolate-dipped macaroons. The shakes, particularly the Turtle and Grasshopper flavors, were described as "to die for". While some reviews mentioned issues with certain drinks and cleanliness concerns, overall TurtleTown offers a delightful experience for those with a sweet tooth.
