Here you can find the [menu](#) of **Golden Griddle Pancake House** in North Myrtle Beach. At the moment, there are **16** courses and drinks on the menu. The Golden Griddle is a breakfast spot not to be missed, with rave reviews and even a coupon incentive. With pancakes and french toast described as the best ever, crispy bacon, real eggs, and delicious fried potatoes, it's no wonder one reviewer said they would eat there every day. However, not all reviews were glowing, with some disappointment in undercooked omelets and canned-tasting corned beef hash. Despite the possibility of a wait during busy hours, the family-owned restaurant serves up some of the best pancakes around, with quick service and friendly staff. Visitors love the Mickey Mouse pancakes for kids and appreciate the reasonable prices and welcoming atmosphere. For those looking for a local treasure rather than a tourist trap, The Golden Griddle comes highly recommended by the locals themselves.
