The food here is great but what makes this place the literal best place ever is the staff. My son and I went for dinner and being that he is a toddler, he was all over the place. He was walking around and waving to the staff and playing with straws. And the entire staff interacted with him. They were so friendly and so amazing with him, it was the best. World be more like Chen's garden. [read more](#). What [Bailey Coull](#) doesn't like about Chen's Garden:

Undoubtedly worst Chinese food I've eaten. Everything from the rice to the chicken tenders, just covered in oil to the point of using a napkin to wipe my plate in-between bites. Someone should tell the chef he can cook with something other than oil and onions. The lo-mein is angel hair pasta..... [read more](#). At Chen's Garden from Coffee County, **tasty sushi (e.g., Maki and Sashimi)** is prepared for you, along with many additional variations, always fresh with ingredients like fish, vegetables and meat.
