Give this place a shot! Sign outside is for Yemen Fusion, but it's the right place. Quiet at 3:30 on a Friday, but very nice. The restaurant is pretty. The service was prompt and courteous. The food was fabulous! My tabouleh salad was delicious. The falafel was good. My friend ordered a chicken rice and potato dish that was amazing.

The portion was generous too. [read more](#). What [Rocket Man](#) doesn't like about Nikoz Fusion Grill: Food was quite slow, place seemed understaffed, for the \$15 you are paying the only good serving is the rice; the meat tasted old and the Mandi chicken frankly tasted like Costco rotisserie chicken. And the dishes were served with salsa on the side? All this made the place not worth money or time. [read more](#).
