Here you can find the [menu](#) of **Wings N Things** in National City. At the moment, there are **17** meals and drinks on the card. Despite receiving mixed reviews, this restaurant seems to have once been a favorite spot for wings that set the standard. However, recent experiences have left some customers disappointed with the dry chicken, lack of sauce, and small portions, especially considering the prices. Some have also experienced issues with incorrect orders and rude customer service. On the positive side, others have raved about the delicious boneless tenderloin strips with a variety of sauces available and the clean and spacious seating area both indoors and outdoors. Despite the hit-or-miss experiences reported, this restaurant could still be worth a try for those craving flavorful wings in Southern California.
