can use the WLAN of the place at no extra cost, Depending on the weather, you can also sit outside and be served. Anticipate the *varied, tasty Mexican cuisine*, which is usually prepared with corn, beans and chilies (hot peppers), Moreover, the menu of this **gastropub** offers a good and especially extensive diversity of beers from the region and the world that are definitely worth a try. After the meal (or during it), you have the opportunity to also relax at the bar with a alcoholic or non-alcoholic drink.
