The diner is accessible and can therefore also be used with a wheelchair or physiological disabilities, Depending on the weather conditions, you can also sit outside and eat. In case you're craving some fiery South American cuisine, you're in the right place: delightful menus, prepared with **fish, seafood, and meat**, but also corn, beans, and potatoes are on the menu, Of course, you also have to try the **fine burgers**, that come with sides like fries, salads, or wedges offered. You have the option to, after the meal (or during it), also relax at the bar with an *alcoholic or non-alcoholic drink*, and you can try fine American meals like Burger or Barbecue.
