What [Hailee Gutkowski](#) likes about Freeborne's Eatery and Lodge:

This place is really cool. Great spot for bikers. Great food. The only thing we hated was if you order something (kids chicken fingers) you don't get a dipping sauce. We got a ranch with both of our kids chicken fingers and were charged \$1 per ranch. Kind of nickel and dime-y but won't deter us from coming back. [read more](#). What [Karley Lowe](#) doesn't like about Freeborne's Eatery and Lodge:

Great local vibe but the food and drinks remind me of tourist trap cafeteria food. They weren't even serving the full menu. We will call ahead next time to make sure they are serving the full menu and maybe some of the other options will be better. [read more](#). If you're desiring some *spicy South American gastronomy*, you're in the right place: delicious menus, made with **fish, sea creatures, and meat**, but also corn, beans, and potatoes are in the menu, and you can indulge in delicious American meals like Burger or Barbecue. Of course, the right drink with a meal can be crucial; this gastropub provides a diverse range of delicious and local alcoholic beverages like beer or wine, Of course, you also have to try the **scrumptious burgers**, that come with sides like fries, salads, or wedges provided.
