Ugo Italian Restaurant food was tasty. Two of these pizzas will satisfy three people for a light lunch. The customer service was great. The outdoor seating was relaxing. Perfect location to stop in while walking and shopping in Culver City. [read more](#). In beautiful weather you can even eat and drink in the outdoor area. What [Cicity K](#) doesn't like about Ugo:

Very disappointing service. Our drinks were never checked on unless we asked, half of my entree was forgotten about, and lastly, the patio heaters near us were turned off as soon as we got our bill (edit to add: the restaurant wasn't closing for another hour+ so that wasn't the reason)! It was 50 degrees outside so it quickly became unpleasant to stay. I guess that's one way to free up tables for a quick turn around. [read more](#). At Ugo from Culver City you can **enjoy delicious vegetarian menus**, in which no animal meat or fish was processed, In addition, the current games or races can be watched on the big screen in this sports bar, which the customers also love. There's also tasty pizza, baked straight from the oven using original methods, and you can look forward to authentic **Italian cuisine** with classics like pizza and pasta.
