The restaurant from Lakewood offers **18** different **meals and drinks on [the card](#)** at an average price of \$7.2. This dive bar is a popular spot known for its great food and friendly bartenders, especially Tristan. While the prices are fair, some guests have noticed variations in their bills depending on who serves them, which raises some concerns. The bar offers a decent variety of activities, including daily karaoke nights, but some guests advise to avoid a particular KJ named Asia. Despite limited food options, the steak dinner is highly recommended and affordable. The bar is praised for its inclusive and lively atmosphere, with karaoke and big cocktails making it a great place to socialize. Overall, it's a local favorite with a lot to offer for a fun night out.
