A complete [menu](#) of Olive Garden from Bossier City covering all 19 courses and drinks can be found here on the menu. Overall, the reviews for this restaurant are mixed, but with many positive aspects highlighted. While there were complaints about the food quality, such as hard breadsticks and overcooked chicken, the great service from the staff was consistently mentioned. Excellent servers like Hannah, Laura, and others contributed to a positive dining experience, despite some issues like a malfunctioning air conditioner or a dark atmosphere due to a lighter being switched off. Customers also appreciated the safety measures in place, such as social distancing and mask-wearing. Additionally, the value for money was praised, with delicious food like calamari, soup, salad, and breadsticks at affordable prices. Despite some minor hiccups like technology failures and out-of-stock items, the overall sentiment is that this restaurant is worth a visit, especially for special occasions like birthdays or Veterans Day celebrations.
