What [Bill Conroy](#) likes about El Parque Restaurant: The burrito is nothing special here. My friend got the shrimp burrito and there too much rice n not much shrimp. It was too shoggy. My California burrito was just ok. But there mini taco was very good... Will have to go back and try other stuff. It was a very nice place to hang out though. [read more](#). Look forward to the **diverse, scrumptious Mexican cuisine**, traditionally prepared with corn, beans and chilies (hot peppers), You'll find nice *South American* meals also on the menu. After the meal (or during it), you can still relax at the bar with a **alcoholic or non-alcoholic drink**, Inthemorning a versatile brunch is offered here.
