What [Marcelle Collins](#) likes about Nina's Taqueria:

I go here at least 2 times a week, always on site, always great hot food, I see other reviews on chips and no refills, no way people open your mouth and ask. Never have they say no, always on site and get what I need and quickly! Keep my seat, you're great! [read more](#). The restaurant offers free WiFi for its customers. Anticipate the varied, delicious Mexican cuisine, which is usually prepared with corn, beans and chilies (hot peppers), Of course, you also have to try the **delicious burgers**, that come with sides like fries, salads, or wedges served.
