Had an awesome lunch here with a friend. We both got the turkey club with the homemade French fries and they were delicious and large portioned. Our server Laurel, was very attentive, funny and pleasant. The space itself was a typical townie style restaurant/bar and was nice inside (they also have a small outside patio for drinks). Overall this a great spot for lunch or dinner if you're in the area! [read more](#). What [Lori H](#) doesn't like about The Halfway Cafe :

The service was slow. It took at least 15 minutes before someone came to take our drink order. We ended up ordering both drinks and dinner at the same time. The food was excellent. Although, we only got the mac and cheese plain. I would definitely go again, but allow enough time in case the service is slow again. [read more](#). If you're hungry some **hot South American gastronomy**, you're in the right place: delightful menus, roasted with *fish, sea creatures, and meat*, but also corn, beans, and potatoes are in the menu, and you can look forward to typical delicious French cuisine. Moreover, there are fine American menus, such as **burgers and grilled meat**. Also, the drinks menu at this place is exceptional and offers a significant and varied diversity of both local and international beers, which are definitely worth a try.
