Here you can find the [menu](#) of **WheatFields Eatery & Bakery** in Omaha. At the moment, there are **16** meals and drinks on the food list. A quaint restaurant located in the old market at the corner of 12th and Jones offers comfortable casual homestyle cuisine and traditional German decor. The service was efficient and the sloppy Joe sandwich was described as hearty and delicious. However, some patrons were disappointed with inconsistent service and cleanliness issues. The breakfast burritos were known to be massive, but mainly filled with potatoes, which may or may not be a Midwestern preference. Despite some mixed reviews, dishes like Avocado Toast and Eggs Benedict were recommended for their flavorful taste. Overall, this restaurant seems to have potential but could use improvements in areas such as service and cleanliness.
