Sweet little place to have a bite on the way through the city. The breakfast Burritos are massive, but mostly filled with potatoes. I've never seen anything like that, but maybe it's just a midwest thing? [read more](#). What [Primo Piras](#) doesn't like about WheatFields Eatery & Bakery:

Lunch was good, desserts were fantastic. What bugged us was the presence of house flies around our table that forced us to constantly attempt to shoo them away and the fact that the booth adjacent to us sat unbussed for a majority of our meal, even though several waiters walked by on numerous occasions when their section had no customers. If you're craving for some *fiery South American culinary arts*, this is the place to be: delightful menus, prepared with fish, seafood delicacies, and meat, but also corn, beans, and potatoes are on the menu, There are also fresh breads and snacks, complemented by a variety of both cold and hot drinks. Even if you're not so hungry, you can treat yourself to one of the tasty **sandwiches**, a healthy salad or another snack, The **tasty** desserts of the local also shine not only in the eyes of our little guests.
