This was actually our second choice as last year's reviews put us off. But we decided to make our own assessment. What a good decision for us!!!!!! Pancakes, huckleberry French toast, eggs, EVERYTHING we ordered was great. The bacon...the BACON.....wow...you have to order it.... Crispy and so tasty. Dana was our waitress and she was terrific. Our entire experience was just wonderful. We would go again and highly recommend. [read more](#). When the weather is nice you can also eat outside, And into the accessible rooms also come visitors with wheelchairs or physiological limitations. What [Anthony Pano](#) doesn't like about Highlander Club:

2 bartenders on a Saturday night. They couldn't keep up with the crowd. It didn't help when they stopped bartending to talk and hug friends. Only go if you have the patience to wait 15+ minutes to get drinks. (Traducido por Google) 2 camareros en un sábadó por la noche. No pudieron seguir el ritmo de la multitud. No ayudó cuando dejaron de trabajar en el bar para hablar y abrazar a sus amigos. Solo vaya si tiene la paciencia de esperar más de 15 minutos para obtener bebidas. During meals, a refreshing drink is essential. In this **gastropub**, you will find not only exquisite meals, but also a large and comprehensive diversity of good beers and other alcoholic drinks that compliment the food, the guests love having the chance to watch the latest games or races on the big screen in this **sports bar**, while also enjoying food and drinks. You can still relax at the bar after the meal (or during it) and enjoy a alcoholic or non-alcoholic drink, Here, the barbecue is freshly prepared on an open flame.
