Foods good. Both meat filled onigiri and veggie ones. Sitting area is ok. Nothing special or cute. No complaints about the service. [Vegetarian](#) options: Half of the onigiris are [vegetarian read more](#). When the weather conditions is nice you can also be served outside, And into the accessible rooms also come customers with wheelchairs or physical limitations. What [V S](#) doesn't like about Sunny Blue:

So sad this place used to be excellent it has gone downhill. The seaweed is chewy and the chicken pieces are now low quality some of them not able to be chewed. I got one Tokyo Tori, a curry and miso. They made my order wrong found out after I got home. So disappointed! [read more](#). At Sunny Blue in Los Angeles you can enjoy *delicious* [vegetarian](#) menus, that are free from any animal meat or fish, On the menu there are also several **Asian meals**. A lot of freshly harvested vegetables, fish and meat is used in the **easily digestible Japanese cuisine** of Sunny Blue, Besides, the creative blend of different dishes with new and sometimes adventurous products is appreciated by the customers - a beautiful case of Asian Fusion.
