I ate tacos from this place 3 different times while I was here visiting family. I had the Pollo, Carnitas, and Al Pastor tacos, and I enjoyed them all. testing the Asada-Tacos and was very disappointed. when I think of carne asada, I think steak, but what was in this was more like spiced bark, or maybe deep roasted corned bark? they had no similarity with even shredded bark, like fried granules of something. I will go back to try something else, but do not definitiw the steak. [read more](#). Get excited about the diverse, scrumptious Mexican cuisine, which is traditionally cooked with corn, beans and chilies (hot peppers).
