Alex is literally the best employee I've ever witnessed, anywhere. This man doesn't just deserve a raise, he deserves a Nobel peace prize and I'm not being dramatic. If he's not earning at least \$25 and hour right now, then that's illegal. He takes care of us every time we go there and it makes me want to go to Wendy's for every meal just to be in the presence of this angel. [#alexrichmondroadwendyslives](#) [read more](#).
