doesn't like about Grimaldi's Pizzeria:

the pizza was soggy when she was served. my opinion is that there are too many toppings to have a good crispy crust. I ordered the don, bruschetta trio and cocoa'nana cheesecake. I couldn't eat the pizza with my hands because of the sogyness. also the restaurant faced a flight problem. the flows of each size were swung around. the bruschetta was not good or bad. the cheesecake was super delicious.
