Waters Edge Sports Grill:

12\$ for a basic chicken wrap, couldn't get a coffee, they only offer generic cola? Come on folks! Prices are going through the roof, product services and offerings are declining. I think you can do better. Have eaten here several times before, but this may be the last. With the extensive selection of **coffee and tea specialties**, a visit to Waters Edge Sports Grill becomes even more attractive, You shouldn't miss the opportunity to try the crispy and crunchy pizza, baked straight out of the oven in an traditional manner. Here they also grill **South American** fresh fish, meat, as well as beans and potatoes, Of course, you also have to try the delicious burgers, that come with sides like fries, salads, or wedges offered.
